

## California Questers Website Needs Your Photos

California Chapter Presidents,

At the Spring Council Meeting we introduced you to our new state website, and promised that every chapter would have a space for chapter news and photos and for news about P&R Projects.

### **Here are the guidelines for submitting information to the website:**

Two deadlines each year; June 1 and Dec 1

**Chapter News: Please visit [www.calquest.org/photos](http://www.calquest.org/photos) to see example**

- Each chapter can have up to 3 photos for each submission.
- Photos need to be **.jpg files**, be well-focused, and **if possible**, be pre-sized to 400 pixels wide and 225 pixels in height, which is 5.5 inches by 3.1 inches. The resolution is not as important on the web as it is for printing as long as the photo is sharp (You can submit vertical photos also). I can size them though.
- Please send captions separately for each photo, or send a short article that describes all the photos.
- At this time we are not planning to use last names for security reasons, but first names are fine.

Your article will remain on the webpage until you submit another article which will replace the previous article.

**Please email your submissions by the deadline to**

**Louise Schultz**
