And so on...

From here on, Spring and Fall repeat the pattern framework.

The grouped Chapters can designate their responsibilities at the pleasure of all involved in their group.

Suggestions:

- Chapters that have Council Meeting experience take the lead in their grouping first.
- Hosting Chapters should attend Council Meetings prior to hosting to gain knowledge.
- Read and follow the Guidelines; seek advice from the 2<sup>nd</sup> Vice President and State Board.
- The Chapters could divide up the duties among their grouped Chapters: one to host- work with the hotel, plan meals; one to plan tours and arrange for a speaker and/or do program; one to organize P&R Drawings.
