The Crossings is a municipal City of Carlsbad facility and was constructed at approximately \$70 Million. This course is named for the five bridges - or crossings - that were designed into the layout to meet existing environmental and topographic conditions. The Crossings at Carlsbad is nestled among the natural habitat and wildlife on more than 400 acres of Carlsbad's coastal terrain.

The menu will include: Buffet dinner featuring salmon, grilled chicken, penne pasta, almond rice, fresh fruit and seasonal cheesecake. There will be a speaker for Questers to enjoy during this event.
